## Opis slučaja:

Dana 28.10.1991.godine u 01.h izvršen pretres kuće. Nisu imali nalog za pretres u pismenom obliku. našli su mi nešto materijala sa rezultatima referenduma o autonomiji Sandžaka, koje su tražili. U 03. h su me uhapsili. Sprovelo me je 5 (pet) milicionera. U pritvoru sam proveo 15 dana tj. do 11. 11. 1991.g. Prva tri dana sam proveo u samici. Saslušavan sam više, puta. Uz saslušavanje su me maltretirali. Prijetili su mi da će me ubiti i da će objaviti da sam pokušao bjekstvo, kako bi opravdali moje ubistvo. Prijetnje mi je upućivao inspektor Bošković i pri tom mi psovao muslimansku majku. Prijetio mi je da će mi uključiti struju i da ću nakon toga morati sve priznati. Nešto su uključivali u utičniku ali mene ipak nisu dotakli. Za vrijeme saslušanja lisice su mi bile na rukama i bio sam vezan za stolicu na kojoj sam sjedio. Za to vrijeme Bošković je držao stalno u rukama gumenu palicu prijeteci mi njom. Uručeno mi je rješenje o pritvoru i sprovođenju istrage Kibr.57/91. od 30. 10. 1991.g. Ponudili su mi da priznam krivicu da sam prodavao oružje muslimanskom narodu a da ću za uzvrat dobiti zapošljenje u SUP-u Bijelo Polje. Odbio sam zapošljenje, a i priznanje jer nisam učinio nikakvo krivično djelo. Na kraju mi je Bošković zaprijetio da nikom ne pričam kako sam saslušavan i maltretiran, šta mi je nudjeno i kako su me psovali na nacionalnoj osnovi. Krivični postupak je protiv mene pokrenut i u toku je sudjenje.

Description of the Case:

On the 28th of October 1991, at 02 00 hours a search of my apartment was carried out. They did not have any written permission for the search, which is normally used in such situations. They found some documents on the referendum results which they had been looking for. Five policemen took me to prison, where I stayed for 15 days that is from the 28th of October to the 11th of November 1991. The first three days I was in a cell for solitary confinement. I was interrogated several times and they maltreated me threatening me that they were going to kill me, telling me that they were going to report that I was trying to escape so that they would have proved my murder. Those threats came from Boskovic, a police Inspector, swearing my Muslim mother. He also threatened that he was going to connect me with electricity plugging something he was telling me that I was going to admit everything, but he did not anything similar. During the interrogation I was handcuffed and tied to a chair in which I was sitting all the time. All the time Inspector Boskovic was holding his nighstick in his hand and threatening with it. I was given a verdict with proof of arrest and investigation Nr 57/91 dated 30 October 1991. I was offered if I would have admitted that I was guilty: that I was selling arms to Muslim people, that they would give me an post in the SUP (Secretary for Internal Affairs) in Bijelo Polje, which I refused, because I had nothing to admit for I did not do any crime. At the end Boskovic warned me not to tell anybody the way - way of the investigation. About the questioning or maltreatment, about the offer, or how I was sworn on the national basis. Criminal procedure is taken legal action against me and a trial is in progress.
